

ANPT will continue to operate for limited patients with the following precautions.

All people entering the ANPT office will...

1. Wear a face covering over nose and mouth at all times inside ANPT.
2. Sanitize hands upon entering ANPT.
3. Maintain 6 foot distance inside ANPT.
  - a. Hands-on treatment and/or assessments may need to be done within 6 foot distance
  - b. This is only done with patient's consent and always for less than 15 minutes.
4. Complete a COVID-19 self-screen and/or checklist each day.
5. Follow the latest Centers for Disease Control guidelines (<https://www.cdc.gov/>).

All patients and visitors will...

1. Wait outside until directed to enter ANPT by a staff member.
2. Notify ANPT in advance if bringing an additional person to the visit.
3. Begin their appointment on the hour and leave promptly after the visit.

ANPT staff will...

1. Wipe highly touched surfaces frequently.
2. Limit the number of people in the clinic and assure 6 foot distance.
3. Perform hands-on treatment and assessments to patients who consent and for less than 15 min.
